This seamless, self-adhesive bra leaves back and shoulders completely uncovered. The backless bra is the ideal solution to avoid visible shoulder and back straps in low-back bridal and cocktail dresses. The backless bra is reusable and very easy to wear.

**Perfect Cleavage Tape**

**F-02**

ONE SIZE (3 sets)

**35,00€**

The Perfect Cleavage tape is a four-tape bra solution, using two tapes per breast. The L-shaped tape lifts the breast from the side and turns it inwards to create cleavage, while the inverted T-shaped tape adds the final support. Depending on the cup size, the L- and T-tapes can be cut to double the usage amount. Each pack therefore offers six sets for women with cup sizes A and B, and three sets for women with cup sizes C and larger. Nipple protectors are included.

**Breast Lift Tape**

**F-03**

A/B/C (4 sets), D/E (3 sets), F+ (3 sets)

**35,00€**

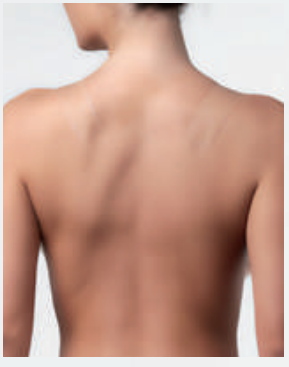

The Breast Lift Tape lifts the breasts simply and effectively. Better yet, it is not only the breasts that get lifted, but also the self-esteem and the mood of the wearer. Not only does it give you more confidence; it allows you to wear your favourite dress without the need for a bra. Breast Lift Tape keeps the breasts in place, while allowing the wearer to move freely, containing any excessive natural movement of the breasts. Nipple protectors are included.
